

2018 WEATHEREYE
ESTATE SYRAH
Red Mountain AVA

100% Syrah

Sourced from a south-facing, high-density planting. Primarily Syrah with a splash of Grenache, 30% destemmed, and aged in used puncheons. Deep purple in color, with aromas of roasted dates, black plum, blackberry compote, blue fruit, smoked game, crushed rock, peppery herbs, iron, tar, sagebrush, and crème de violette. The palate is massive and deeply concentrated, with firm, building tannins holding everything in place. Medium to full-bodied with a great finish. Drink 2022–2032.
