

2021 WEATHEREYE
ESTATE MARSANNE
Red Mountain AVA

100% Marsanne

Sourced from a single 0.18-acre block of meter-by-meter vines on a southwest-facing slope, trained to single-stake echalas. High-density layout and tall canopies protect clusters from Red Mountain heat and wind, allowing extended maturation. Aged 14 months in used French oak and sandstone amphora. Aromas of almond paste, sage, beeswax, orange blossom, and lifted white florals. Plenty of texture, concentration, and depth with a long, clean finish. 80 cases produced..
